

2013 HOTEL INFORMATION

IMPORTANT!!!

SSHA recognizes that you have a number of options when securing hotel accommodations for the annual meeting. It is important to keep in mind that SSHA has made a major commitment to the [Palmer House Hilton](#) in order to secure a large block of quality hotel rooms at competitive prices in a convenient location. SSHA is legally bound to fill these rooms. Not to do so has severe financial implications for SSHA, both in 2013 and in years to come and will almost certainly raise your costs of attending future annual meetings. If you require a hotel in Chicago, we would appreciate it if you would reserve your room at the Palmer House Hilton hotel.

SSHA has a special group rate of \$215 single or \$232 double occupancy, per night plus tax. The hotel has set up a special reservation site for the Social Science History Association. To access the site and make your reservation go to: <https://resweb.passkey.com/go/SSHA2013>

If you would like to reserve your room before or after the event dates shown, please call the Hilton Reservations Department directly at **1-877-865-5321 and reference group code SSH.** **Group rates cannot be guaranteed after October 18, 2013**. Please make your reservations early.
