Older Records:

The link below lists previous SSHA offices held and committee assignments from 1976. For those members who have held office or served on committees, this record also lists the years from 1976 through 2000 in which members participated on the program.

It should be noted that this list is not a complete record of extent of participation in SSHA programs or any other activity of members. Its base is officeholding; only members who have held office or been on SSHA programs are omitted here because they have not held an association office.

Please feel free to help me correct this record by sending additions and corrections to Erik W. Austin, Inter-University Consortium for Political & Social Research, University of Michigan, Box 1248, Ann Arbor, MI, 48106-1248.
